DGA

International Construction Consultants

David is an experienced quantum Expert with 35 years' experience. He has had over 30 appointments and has been cross-examined. He specialises in major civil engineering projects such as tunnels, highways, rail, water, oil and gas with typical project values in excess of USD 2bn.

[David Gibson](#)  
Quantum Expert, CEO  
[david.gibson@dga-group.com](mailto:david.gibson@dga-group.com)

David has extensive dispute resolution experience. He is regularly appointed as independent Expert in relation to EOT, delay, and disruption claims, as well as on project management disputes. He has given evidence and been cross-examined in numerous international arbitrations and court cases.

[David Aldridge](#)  
Delay Expert  
[david.aldridge@dga-group.com](mailto:david.aldridge@dga-group.com)

Jim has 40+ years of experience of providing contractual advice and acting in Expert appointments through formal dispute resolution. His knowledge and skills have been gained through working across multi construction sectors representing employers, main contractors and supply chain organisations.

[Jim Bourke](#)  
Quantum Expert, Group Managing Director  
[jim.bourke@dga-group.com](mailto:jim.bourke@dga-group.com)

David is a construction Expert specialising in delay analysis and construction project management - including project turnaround and M&A - founded on 40+ years' practical experience. He has provided Expert Reports to the TCC, Court of Session, in arbitration and adjudication, and has been cross-examined.

[David Waddle](#)  
Delay Expert  
[david.waddle@dga-group.com](mailto:david.waddle@dga-group.com)

Richard has 36 years' experience successfully providing commercial and strategic management for both contractors and employers in the civils and building sectors. He is regularly appointed to act as an independent Expert and has provided written and oral evidence in adjudications, arbitrations and expert determination.

[Richard Jenkinson](#)  
Quantum Expert  
[richard.jenkinson@dga-group.com](mailto:richard.jenkinson@dga-group.com)

Simon is a qualified electro-mechanical production engineer with 20+ years' experience as a project management / delay Expert witness in all dispute forums and advisor to authorities, developers, OEM's, EPC's, contractors and specialist subcontractors on major projects and international programmes.

[Simon C. Wrightson](#)  
Delay Expert  
[simon.wrightson@dga-group.com](mailto:simon.wrightson@dga-group.com)

John has over 40 years' experience in project commercial management and provides clients with strategic advice on construction delay and cost issues and risk management. He has frequently acted as Expert witness and given evidence and been cross-examined in major international arbitration and court cases.

[John Foster](#)  
Quantum & Delay Expert  
[john.foster@dga-group.com](mailto:john.foster@dga-group.com)

Richard has varied dispute resolution experience. He has acted as assistant to the Independent Expert in relation to EOT, delay, and disruption claims, as well as Expert in his own right on smaller disputes. He has extensive project planning and planning management experience on major construction projects.

[Richard Lamb](#)  
Delay Expert  
[richard.lamb@dga-group.com](mailto:richard.lamb@dga-group.com)

Tim has 35 years' experience delivering major and complex construction projects in the USA, UK, Europe, the Middle East and Asia. Trained and qualified as a quantity surveyor in the UK, he has acted as Expert witness, has given evidence and been cross-examined under oath at an international arbitration.

[Tim Lunt](#)  
Quantum Expert  
[tim.lunt@dga-group.com](mailto:tim.lunt@dga-group.com)
