We're thrilled to welcome Andrew White, Angelos Markou and Graham Beesley. Each brings a unique set of skills and experiences that will undoubtedly strengthen the DGA Delay Team.

Matt Lindsay & Tim Marlow, Delay Directors, DGA

John Donnelly, Country Director, DGA Australia:

Delighted to welcome Philip Roberts to our Sydney office. Phil has over 35 years of experience in commercial, construction and engineering contracts. As a Chartered Quantity Surveyor Philip has prepared numerous expert witness reports and provided subsequent testimony in legal proceedings. His depth of expertise further includes the preparation and / or defence of disputes and claims, commercial management, cost estimating and financial control / management. Phil joins DGA as Principal and we look forward to introducing him and his expertise to our valued clients.

I'm delighted to welcome Andrew Ward to the team. Andrew brings a wealth of experience as a contract manager and dispute resolution specialist to DGA, in the construction, engineering and offshore sectors.
